Fall 2018, Volume 24 • Issue 2

Why Serve At Horton Haven

During this past camp season I had the privilege to serve in the dining hall. It has been both a wonderful experience for me and for the teens I worked with during that week. In the simple tasks of putting out plates or cleaning a table, it's amazing to see how the Lord Jesus works in the tasks that most people don't even notice. ***Lucy Parise – Adult Volunteer***

When I am at Horton Haven I am filled with such joy for serving the Lord and teaching campers about our Father and His mercifulness. For some campers, it may be their first time even opening a bible. For others, staff included, it is a week of growth and learning. To share these experiences with campers and everyone serving at camp is such a blessing. ***Jennifer Martin – Staff in Training***

Serving at HHCC is a no-brainer. I've been there for at least a week or more as a camper or staff member every summer since I was 7, and going back is like going home. The people I've served with are like family to me. ***Erin Edmondson – Adult Volunteer***

Serving at Horton Haven is by far the best and most rewarding "mission trip" I've ever been on. I volunteer in the kitchen which confuses my husband since I don't like to volunteer in our kitchen at home! ***Sue Errico – Adult Volunteer***

HHCC has had such a big impact on my life, giving me a better understanding of the Bible and also making a place where I can enjoy myself and make memories and new friends. The people there are family to me and it's a blessing to be able to go and serve alongside them during the summer. ***Carolyn Renth – Staff in Training***

There are plenty of places I could spend my summers, but serving at Horton Haven for the last four years, I've had more opportunities to be challenged, to grow, to serve, and to pour into other people than I would've had anywhere else. I'm able to very practically live out and share my faith every single day. It's such a unique experience; there's nothing quite like it. ***Steven Errico – CORE Staff***

...CONTINUED FROM PAGE ONE

I served during Junior 4 this past summer at HHCC as prayer warrior. It was a blessing not only to pray for the staff and campers but to also receive encouragement as I witnessed the Lord answering prayers. ***Sandra Smith – Prayer Warrior***

I am so thankful to have the privilege to spend my summers as healthcare director at Horton Haven. The opportunity here exists to serve, care for, and teach both staff and campers through the entire summer to share the love of Christ, and live out in relationship His love for each other and to those campers who come in week after week. Ultimately, as we work together to keep in good physical, emotional, and spiritual health, we will be able to know our Savior and Lord Jesus more and more deeply. ***Jill Casada – Health Care Director***

I've been around camp for about 22 years as a camper, or staff member, and it feels like a second home. Now, I bring my twins with me, and they look forward to the next time they get to go to "their camp". I spend part of my summer serving, to show the love of Jesus Christ to every person that comes through the gates. I'm also encouraged while I serve, through my interactions with campers and staff. ***Jessica Scruggs – Day Camp Director***

I serve at Horton Haven because I believe so strongly that this peaceful and God-centered environment is so valuable for the children who attend. My husband and I have always felt the Holy Spirit working in the hearts of the youth and children who attend and serve there. HHHC is like a refuge from the world, where life can slow down and allow the peace, joy and love of Jesus to permeate every part of your heart. ***Michele Hazelip - Front Porch Ministry***

One of the reasons I serve on staff at Horton Haven is because I want to share the good news that Jesus saves and HHCC helps make that possible. Resident staff doesn't only train their staff in how to share the Gospel, but they pour into their staff the love of Christ and encourage them every day. ***Shelby Covington – CORE Staff***

New Camp Activity for 2019!

We are hoping to introduce **remote control truck racing** as a new activity for next summer! This activity will be exciting for all ages, male or female. We are looking to purchase **8-10 TRAXXAS Slash, 2 wheel drive, 1/10 scale electric trucks**. Also, we will develop a dirt track similar to the one pictured. Junior Campers will be able to sign up prior to their week of camp to take this class as one of their morning activities. In the afternoons during swim time, Junior campers and Teen campers will be able to participate in this activity also if they choose. The estimated cost to purchase RC trucks and develop the track is $3,000. If you would like to be a part of helping implement this new activity at HHCC please send your donation designated for RC truck activity. If you have further questions or would like more information please contact **kevin@hortonhaven.org**.

CORNERSTONE UPDATE

The construction of the Cornerstone Lodge is moving right along. The building is dried-in and the plumbing, electrical, HVAC and fire alarm system have all been roughed in. We plan to have these areas inspected next week and will be ready for insulation to be installed and then sheetrock work will begin. The fireplace has been installed and the stone work around it and the porch posts, look fantastic. In addition to seven bedrooms, each with a bathroom, there is a large meeting room with a capacity of 60, a space for day camp to meet, public restrooms and a new health center. We are thankful to have SOWERS and other volunteers here helping with various parts of the construction. The SOWERS are painting the exterior as we have warm days. We have not borrowed any money and to date we have spent about $285,000 and anticipate that we will need another $125,000 to complete the building. Lord willing this building will be available for Summer Camp 2019!

Prayer & Praise

Pray For

- Preparations for summer camp
- Board Members
- Resident Staff
- Additional $125,000 to complete Cornerstone Lodge
- Safety in ongoing construction of the Cornerstone Lodge

Praise Him For
